Additional merchandise for your team can be ordered on this same form. Club Planning

The 2019/20 South Island Formula 1600 Championship will get underway at Ruapuna 20th October. Your Committee has considerable planning and legwork yet to do. It is imperative that we receive membership details and fees ASAP. We need to know numbers so we can arrange all manner of things. We hope for 25 cars on most grids this season with a total of around 30 plus cars competing - a great deal of preparation is required.

Pit Display Boards

The committee is asking for updated information from you for car pit boards and your driver profile to go on our website ... and for use by media. This information is requested as part of Section 5 in the membership form. New members are probably unaware but the committee supplies a Pit Display Board for each car as shown below. It's all part of promoting the class.

Don't wait until the last minute to complete your membership. Do it now! Please!
